

Cubs Communicator Badge

Name: _____

Complete?	
Part 1	
Part 2	
Part 3	
Part 4	
Part 5	

1) Swap instructions with another cub or leader

2) Get a call from somebody, record the details of the call, make sure you have it right

3) Send an email and text message to a leader

4) Introduce yourself to a leader, tell them about you

5) Choose and complete some other activities

1) Swap instructions with another cub or leader

Think of some instructions to give, for example:

- Directions around the green
- A picture to draw
- A game to play

Give these to another cub and see if they follow them correctly

If not, what went wrong? Could you have explained it better?

Now get another cub to give you instructions and see how it goes?

Did you manage to follow them? If not, what went wrong?

2) Get a call from somebody, record the details of the call, make sure you have it right

Get a leader to call you and give you a message, make a note of all the details here:

Check with the leader, did you get all the important points?

3) Send an email and text message to a leader

Send an email and a text message to a leader.

4) Introduce yourself to a leader, tell them about you

Talk to a leader for two minutes, about you.

Tell them about your life, school, your hobbies.

Show that you can communicate with an adult

What are you going to say?

5) Choose and complete some other activities

Choose three from below:

--

Write a report on a local event either at school, scouts or to do with one of your hobbies

For example, write a report about a football game, or write about JOTI for PG Tips

--

Using the internet, find out how people with a visual or hearing impairment communicate.

You might learn about Braille, Makaton or British Sign Language.

Learn a simple phrase in one of the ways you have learned and show an adult

--

Get an adult to give you a message.

Remember it and repeat it back to them 10 minutes later, see if you can get it right

--

Write three simple messages using morse code or semaphore.

Try to work out three similar messages given to you by another cub

(More information on the next pages)

Morse code is a way of sending letters and words using just dots and dashes, this can either be by light or sound.

Morse code is still used on ships using lights to send signals.

Every letter and number has a different code.

Semaphore is a way of sending messages using flags.

Semaphore is still used on ships to send signals.

Every letter and number has a different signal.

International Morse Code

1. The length of a dot is one unit.
2. A dash is three units.
3. The space between parts of the same letter is one unit.
4. The space between letters is three units.
5. The space between words is seven units.

A ● ■■■
 B ■■■ ● ● ●
 C ■■■ ● ■■■ ●
